Proceedings of the Madras Government, Revenue Department, 21st October 1862.

No. 249. Read the following Proceedings of the Board of Revenue, dated 17th September 1862, No. 6,235:—

Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Ootacamund, 30th August 1862, No. 182.

SIR,

1. I have the honor to acknowledge the receipt of the Board's Proceedings of the 31st July 1862, giving cover to Government Order dated 23rd idem, No. 1,577.

2. The subject of the Burliar Chuttram has already been disposed of.

3. As directed in paragraph 5 of the Government Order, I beg to forward a Tabular Statement in the prescribed form for the entertainment of a Cook in the Travellers' Bungalow at Kulhutty. The information required as to whether provision is made in the Budget, and under what head is given therein. As regards the date from which the expenditure is to take effect, I can only say that my Budget Estimate for 1862-63 includes the pay of a Cook for the Kulhutty Bungalow for a full year, and consequently one will be entertained at once if the Madras Government accord their sanction pending the final sanction of the Government of India. The other points alluded to in the Memorandum appended to the Board's Standing Circular of the 20th May 1862, No. 3,241, are not applicable to the case now recommended.

4. As the Bungalow at Metapolliem has been leased out to Mr. Smith, and as the one at Coimbatore will likewise be so under the late orders of Government, it seems unnecessary to employ pensioned Sepoys at each of these Bungalows; provision has not therefore been made for them in the Tabular Statement.

5. Adverting to paragraph 6 of the Board's Proceedings of the 26th June 1862, No. 4,172, I beg to report that the services of the Cook and Maty employed at the Perindoray Bungalow have been dispensed with from the 24th May 1862, and the furniture, crockery, &c., belonging to it have been withdrawn, and will be transferred to other Bungalows requiring them.

6. The pay of the extra servants employed in Perindoray, Bhowany, and Kulhutty Bungalows, and the batta of the Sepoys of the Coimbatore and Metapolliem, as well as the pay of the Metapolliem Bungalow Maty up to the end of April 1862 to be passed by the Civil Auditor, do not amount to 425-6-5 as stated in paragraph 7 of the Board's Proceedings of the 26th June 1862, No. 4,172, which appears to have been computed by the Board by taking the pay of the Maty at Metapolliem at 6 Rupees per mensem instead of at 3-8-0. The total amount as stated in Mr. Thomas' letter of the 30th April 1862, No. 101, exclusive of the above Maty's pay is Rupees 305-6-5, of which Rupees 2-3-7 must be deducted being the pay of the Cook and Maty of the Bhowany Bungalow from 24th, the date on which they were dispensed with, to 30th April 1862, which leaves Rupees 303-2-10. To this must be added Rupees 63 being the pay of the Metapolliem Maty from November 1860 to April 1862 at 3-8-0 per month, making in all Rupees 366-2-10 for which an abstract is enclosed, No. 1, which I request may, on the Board's perusal, be sent to the Civil Auditor with orders to pass the same under the sanction conveyed in paragraph 6 of the Government Order of 23rd July 1862, No. 1,577. This charge has been provided for in the Supplemental Budget of this Collectorate for 1861-62 under the head IX Miscellaneous included in the item "Pay of Cooks, &c., to be charged to Bungalow Fee Fund" Rupees 600.

7. Referring to paragraph 9 of the Board's Proceedings of the 26th June 1862, No. 4,127, I beg to state that the establishment of Cooks and Maties for Perindoray and Bhowany Bungalows was entertained in the month of June 1861. The Sepoys instead of being immediately removed, were also retained up to the end of August of that year as being absolutely necessary for the convenience of the numerous travellers than halting in the above Bungalows. The Civil Auditor passed their batta for June and July, and refused to do so for August for the reason that the Sepoys should have been discontinued from the date of the entertainment of the Cooks and Maties under Government Order of 5th August 1861. The amount yet to be passed

is small, being Rupees 5-9-6 only, the Sepoys were necessarily retained for the convenience of the numerous travellers. I therefore request that this small item may also be ordered to be passed; a bill for the same is herewith transmitted No. 2.

8. I take this opportunity of forwarding an Abstract No. 3 for the pay of the Cooks and Maties employed at Perindoray from 1st to 23rd May 1862, and for the batta of the Sepoys employed in the Metapolliem and Coimbatore Bungalows from 1st May up to the date of their removal in June and July 1862 respectively, and request that this may likewise be ordered to be passed. This charge can be met from the Budget for 1862-63.

9. The Board will observe that in Abstract No. 1 herewith sent, the pay of the Maty at the Metapolliem Bungalow is charged from November 1860. This servant was employed from 1st August of that year and the Civil Auditor passed his pay for the first three months, viz., August, September and October. Subsequently he retrenched what he has already passed, viz., 10-8-0, and ordered the recovery of the amount. This has not been done, and the retrenchment still remains undisposed of. As Government have now sanctioned his pay from November 1860 I request that the Civil Auditor may be ordered to withdraw his retrenchment for the preceding three months.

---

1. Ordered to be submitted to Government, in continuation of Board's Proceedings 26th June 1862, No. 4,127, and with reference to the orders of Government thereon dated 23rd July 1862, No. 1,577.

2. In paragraph 5 of their orders quoted above, Government called for a Tabular Statement for the entertainment of a Cook at the Kulhutty Bungalow, a proposal advocated by the Collector on account of the isolated position of the building. The Tabular Statement was also to make provision for the services of a Sepoy at the Coimbatore Bungalow, until the leasing out of that building. The Tabular Statement now submitted however, embodies an application for the services of only a Cook at Kulhutty on 6 Rupees a month, the Sepoy being no longer necessary at the Coimbatore Bungalow, as it is about to be leased out as an hotel under the orders of Government dated 13th August 1862, No. 1,709. The Collector has made provision for the Cook's salary for the full year in his Budget Estimate for 1862-63 under the head "E, Works of Internal improvement and Public convenience," minor head "Travellers' Bungalows," and is prepared to entertain a man at once if authorized to do so. The Board beg to recommend that the necessary authority be given him, and that pending the final sanction of the Government of India to the Budget provision on account of Travellers' Bungalows for 1862-63, the charge be met by advances to be adjusted hereafter.

3. In paragraph 6 of their Proceedings of the 23rd July last, Government sanctioned the sum of Rupees 425-6-5, that being the total expenditure as calculated by the Board in paragraph 7 of their Proceedings of the 26th June, on account of the pay of the extra servants employed in Perindoray, Bhowany, and Kulhutty Bungalows, batta of the Sepoys of the Coimbatore and Metapolliem Bungalows, and pay of the Maty attached to the last mentioned building, up to 30th April 1862. In paragraph 6 of his present letter, the Collector explains that the correct amount is only Rupees 366-2-10, for which he encloses an abstract to be forwarded to the Civil Paymaster. The Government have already sanctioned the charge on the understanding that it can be met from the Budget of 1861-62; and the Board now resolve to forward the abovementioned Abstract to the Civil Paymaster, in view to the charge being passed by him under the sanction of Government. It is an arrear charge, but the Collector points out that provision has been specially made for the outlay in his Supplemental Budget for 1861-62, under the head IX Miscellaneous, included in the item "Pay of Cooks, &c., to be charged to Bungalow Fee Fund," Rupees 600.

4. With reference to an item of Rupees 5-9-6, disallowed by the Civil Paymaster, the Collector explains in paragraph 7 that it forms the batta, for the month of August 1861, of two pensioned Sepoys retained at the Perindoray and Bhowany Bungalows after the sanctioned establishment of Cooks and Maties was employed there. These extra servants were entertained in June 1861, and according to the orders of Government of the 5th August 1861, No. 1,563, the Sepoys should have been immediately dismissed, but the Collector kept them on until August for the convenience of the many travellers resorting to the Bungalows. The Civil Paymaster passed the batta of the Sepoys for June and July, and disallowed it for August. This is an analogous case with that of the Nellore Bungalow Sepoys on which the Board passed orders in their recent Proceedings of the 6th September 1862, No. 5,943, and must be treated in the same manner. The Order of Government under which the Sepoys were to be dismissed, were despatched to the Collector on the 8th of the very month for which the batta is disallowed; and to have dispensed with the services of the Sepoys immediately on the receipt of the orders would have been unnecessarily harsh. Under these circumstances, the Board resolve to forward the bill for Rupees 5-9-6, submitted by the Collector, to the Civil Paymaster, with the request that he will pass the charge.

5. The Collector further forwards an abstract for Rupees 23-13-2 composed of the pay of certain Cooks and Maties, and batta of pensioned Sepoys, in the Perindoray, Metapolliem, and Coimbatore Bungalows, from 1st May 1862, until the date of their removal as shown in the margin, the dates of Government sanction being duly quoted at the head of the Abstract. Mr. Grant states that the above charge can be met out of the Budget of 1862-63, but as the Bungalow provision included therein has not been passed as yet, the Board recommend that the charge be passed as an advance, subject to adjustment on the final sanction of the Government of India been accorded to the entire Budget.

6. In paragraph 9 of his letter, the Collector submits that the charge on account of Cooks, Maties, &c., at the Metapolliem, Perindoray, Kulhutty, &c., Bungalows, referred to in paragraph 3 of these Proceedings, only provided for the pay of the Maty employed at Metapolliem from November 1860, whereas the man had been actually entertained from 1st August 1860, and that the Civil Paymaster after first passing the pay of the servant for August, September, and October, subsequently retrenched the amount (Rupees 10-8-0) and ordered its recovery. The Board beg to support the Collector's request that the Civil Paymaster be directed to withdraw the retrenchment, the pay of the man from November 1860 having now been sanctioned.

7. The Board observe that the question of a Bungalow at Burliar was disposed of by Government in their Proceedings, 6th September 1862, No. 1,892.

No. 250. ORDER THEREON, 21st October 1862, No. 2,246.

1. Resolved that the Tabular Statement for the entertainment of a Cook at the Kulhutty Bungalow in the Coimbatore District received with the foregoing Proceedings of the Board of Revenue (paragraph 2) be forwarded to the Government of India for their early orders, in continuation of the letter from this Department, dated 2nd September 1862, No. 1,864. Pending the result of this reference, the cook ought not to be employed.

2. The Board also forward (paragraph 5) an abstract for Rupees 23-13-2 composed of the pay of the servants at the Perindoray, Metapolliem and Coimbatore Bungalows, from 1st May 1862 until the date of their removal. The Governor in Council authorizes the Accountant General to instruct the Collector to debit this charge to the head of Advance, to be adjusted on receipt of final orders from the Government of India respecting the Budget provision for Bungalows.

3. Under the circumstances stated in paragraph 6, the Governor in Council authorizes the Civil Paymaster to pass the sum of Rupees 10-8-0 therein mentioned, being the pay of the Maty at the Metapolliem Bungalow for the months of August, September and October 1860.

Acting Deputy Secretary to Government.

Ordered that the following letter be despatched.

No. 251. From T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, to the Secretary to the Government of India, dated 21st October 1862, No. 2,247.

SIR,

1. In continuation of my letter dated 2nd September 1862, No. 1,864, I am directed to forward, for the early orders of the Government of India, a Tabular Statement in the prescribed form for the entertainment of a Cook at the Kulhutty Bungalow in the Coimbatore District on a salary of Rupees 6 a month.

‡ Procs. of Govt., 23rd July 1862, Nos 307, 308.

2. Under sanction granted by this Government in August* 1861, a Cook and Maty were formerly employed at this Bungalow at a monthly cost of Rupees 9-8-0,† but their services have lately‡ been dispensed with as the fees collected from travellers at the building averaged only Rupees 2-13-10 per mensem. The Collector, however, represents that the Bungalow is situated in an isolated position on the high road from Mysore to Ootacamund, and that ladies and children who suddenly arrive there suffer much inconvenience for want of a servant to attend to their wants. Both that Officer and the Board of Revenue therefore recommend the employment at the Bungalow of at least a Cook on Rupees 6 per mensem, a proposal which the Government beg to support.

3. The charge is a new one, but was provided for in the Collector's Budget for 1862-63 under the head "E. Works of Internal Improvement and Public Convenience," minor head "Travellers' Bungalows." The entire provision under this minor head having been struck out by the Government of India, this Government does not consider itself authorized to sanction any new charge until orders are received on the subject of my former letter, already alluded to. The expenditure will therefore take effect only from the date on which the final sanction of the Government of India may be communicated.
