PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant-Colonel J. OUCHTERLONY, R. E., Deputy Chief Engineer, Southern Circle, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Madras, 6th October 1862, No. 92:—

SIR,

1 Letter from District Engineer, No. 136, dated 13th August 1862.
1 Copy of letter from Mr. Ottman, dated — August 1862.
1 Comparative Statement.
1 Abstract Estimate.

1. The sanction of Government is requested for an expenditure of Rupees 240 out of the General Funds of the Tanjore District, to cover excess of cost over estimate in building an additional room to the Manillam Táluq Kachery referred to in Order of Government No. 1,734, dated 18th July 1862.

2. Abstract and comparative statement are herewith submitted together with a full report on the circumstances under which the excessive outlay has became unavoidable. Without following seriatim the rather lengthy arguments adduced in the letters of the Overseer of the Range, and of the District Engineer, it may be briefly stated that Rupees 204 of this excess are clearly accounted for by insufficiency of rates entered in the original estimate; and as to the remainder, although Mr. Ottman with commendable vigilance over the public interests pronounces it recoverable from, became due to the negligence of, a Subordinate named Manikam Pillai, I prefer, as I think Government will to accept Captain Mullins' view of the matter, by which the Sub-Overseer is borne harmless.

ORDER THEREON, 14th October 1862, No. 2,455.

1. Under the circumstances stated, the Government sanction the supplemental estimate amounting to Rupees 240 submitted with this letter.

2. The work will be carried out from the General Funds of the Tanjore District.
