Proceedings of the Madras Government, Revenue Department, 25th October 1862.

No. 316. Read the following letter from W. G. McIVOR, Esq., Superintendent Government Chinchona Plantations, to T. PYCROFT, Esq., Chief Secretary to Government, dated Ootacamund, 11th October 1862, No. 54 :—

SIR,

1. With reference to the Order of Government of the 2nd instant, No. 2,125, I have the honor to state, that in all probability the additional expenditure of (Rupees 7,000) seven thousand Rupees, therein sanctioned, on account of the Chinchona Plantation near Pycara, can be met from the sums entered in the Budget Estimate of 1862-63.

2. With reference to paragraph 2, I respectfully beg to solicit that I may be permitted to build three propagating pits, instead of a propagating house, the pits to be erected on the plan of the one built at Neddivattam. As these three propagating pits can be erected at the same cost as the propagating house and will give us greater facilities of increasing the plants, I trust the Government may be pleased to grant this deviation from the plan laid down in my Memorandum of the 6th of September last.

No. 317. ORDER THEREON, 25th October 1862, No. 2,278.

1. Ordered that paragraph 1 be communicated to the Accountant General and Civil Paymaster, with reference to the Order dated 2nd October 1862, No. 2,125.

2. The proposal in paragraph 2 to build three propagating pits instead of a propagating house is approved.

3. Mr. McIvor has omitted to state if the increase to the salaries of the Office Manager and the second Writer can be met from the provision made in the Budget. He will be requested to supply this omission and submit a Tabular Statement in the prescribed form with all the requisite information.

(Signed) T. PYCROFT,
Chief Secretary.
