No. 330. Read the following Proceedings of the Board of Revenue, dated 23rd October 1862:—

Read the following letter from R. S. ELLIS, Esq., C. B., Officiating Superintendent of Stamps, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Madras, 20th October 1862, No. 277 of Fasli 1272.

SIR,

1. I have the honor to inform you, that a statement showing the quantity of water-marked paper required for stamps for one year for the Madras Presidency, was forwarded with my letter dated 26th March 1862, No. 1,020, and it was proposed to obtain a supply for six months from Calcutta, and a further supply for six months from England, exclusive of the four months' supply expected from England, as communicated in the Despatch of the Secretary of State of 8th February 1862.

2. It appears from a letter from the Officiating Junior Secretary to the Board of Revenue, to the Junior Secretary to the Government of Bengal, dated Fort William the 8th July 1862, that owing to the non-arrival there of the supplies indented for from Home, the Board regret their inability to comply with the requisition of the Madras Government for a supply of water-marked paper.

Communicated with the Order of Government, dated 1st August 1862, No. 1,642.

3. As water-marked paper to meet only four months' supply is under preparation in England for this Presidency, as will be seen from a Despatch from the Secretary of State dated 7th August 1862, since received, I have the honor to bring these circumstances to the notice of the Board, with a view to measures being adopted for the supply from England of the quantity of water-marked paper for twelve months as entered in the Statement above referred to.

Communicated with the Orders of the Board, dated 16th September 1862, No. 6,209.

Ordered that the above letter be submitted to Government with a request that renewed application may be made to the Home Government for the required supply of water-marked paper for this Presidency.
