Proceedings of the Madras Government, Revenue Department, 27th October 1862.

No. 338. Read the following Proceedings of the Board of Revenue, dated 4th October 1862, No. 6,660:—

Read the following letter from W. D. HORSLEY, Esq., Acting Sub-Collector in charge of the Kistna District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Masulipatam, 10th September 1862, No. 215.

SIR,

1. With reference to the Board's Proceedings dated 28th ultimo, No. 5,708, I have the honor to inform you, that on a reference to the copy of the abstract Statement of the arrears of Land Revenue for the last fifteen years, as they stood at the close of Fasli 1269 sent to the Accountant General from this Office on the 2nd November 1860, the amount is Rupees 1,49,598-5-1, and not Rupees 1,49,113, as shown in the Board's Proceedings.

2. The difference between the former sum and the accounts of the Board's Office is Rupees 3,792-7-5, and this arises from the remission on account of Land Revenue having been deducted from the revised accounts of that Fasli sent to the Board as directed in their Proceedings of the 26th October 1860, No. 4,946, and which deduction was duly reported to the Accountant General on the 26th November 1860.

---

1. Ordered that the foregoing letter be communicated to Government and to the Acting Accountant General, with reference to the concluding paragraph of the Board's Proceedings dated 28th August 1862, No. 5,708.

2. The Board observe that the balance of the Land Revenue arrears as they stood at the close of Fasli 1269 is given in the Statements received from the Accountant General's Office at Rupees 1,49,113 instead of Rupees 1,49,598 as stated by the Collector. The Acting Accountant General is requested to explain how the difference, viz., Rupees 485 was occasioned.

3. The difference between the amount as now corrected and that shown in the returns of this Office is Rupees 3,792, which is the amount of remission deducted in the revised accounts furnished to the Board. Similar deduction does not appear to have been made by the Accountant General in the accounts of his Office, although the circumstance was reported to him n due time.
