PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following:—

*Military Despatch from the Right Honorable the Secretary of State for India, India Office.
11th September 1862, No. 95.*

1. With reference to your Military letter No. 68 of 10th March 1862, transmitting correspondence relative to the payment of Military Pensioners and Family Certificates at your Presidency, I observe that the transfer to the Civil Authorities of the duty of paying these Pensioners has been attended with beneficial results in the Districts of Coimbatore, Madurai and Tanjore, where the change of system was experimentally introduced.

2. It is stated that this experiment has been very successful in all three Districts—that in the promptness of payment, which it has secured, it has fully realized one of the objects in view, viz., the prevention of inconvenience to recipients, while the assignment to the recognized financial Officer in each District of the duty of paying the Pensioners, has gone far towards ensuring the second object—the prevention of fraud on the State.

3. Under these circumstances, I approve of your G. O. No. 78 of 14th February 1862, ordering the extension of the measure generally throughout the Presidency, certain Stations excepted. As opinions are very conflicting in regard to the expediency of introducing this measure in such Stations as Arcot, Vellore, Trichinopoly and Vizagapatam, where the number of Pensioners is very considerable, I should wish the result to be carefully watched, in order that should inconvenience be found to arise from the payment of the Pensioners in these Districts by the Civil Authorities, the propriety of excepting from the operations of the General Order may be considered.

4. I trust that the plan now adopted, will prove an efficient remedy for the evils which are shown in Lieutenant Colonel Pritchard's very able and careful report, to have existed under the system previously in force.

5. Since writing the above, your General Order No. 251A, dated 21st June 1862, has come under my notice, under which I observe that the exemption from the operations of this measure is extended to several other Stations.

ORDER, No. 3651, 21st October 1862.

Communicated to the Commander-in-Chief, (Adjutant General of the Army, Revenue Department, Superintendent of Pensions and Family Payments, Controller of Military Finance and Accountant General, with reference to the Proceedings of Government, noted in the margin.*
