Proceedings of the Madras Government, Revenue Department, 28th October 1862.

No. 350. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Ootacamund, 8th October 1862, No. 211 :—

SIR,

With regard to paragraph 20 of the Government Order, No. 2,040 of the 19th of September 1862, I have the honor to inform you that the forest products alluded to by Major Morgan in paragraph 95 of his annual report for 1861-62 were different species of dye, gall nuts, honey wax, &c., which were being collected by the Forest Department in the Denkinecottah Forests. As this was against the orders of the Revenue Board, I ordered Lieutenant Ouchterlony, in June last, to discontinue the practice When I visited Denkinecottah Sandal-wood forests last month, I found that the accounts had not been settled, so I ordered Lieutenant Borradaile (who is now in charge of the District) to close the accounts as soon as possible. The amount expended has been 310 Rupees, of which some portion is still outstanding as advances to the Poojaries who were collecting the products, this can be worked out in Sandal-wood felling. The collections had been almost entirely that of two dyes, viz., Copli (Rottlera Tinetoria) and Papli (Ventilago sp.) and they had not been sold.

No. 351. ORDER THEREON, 28th October 1862, No. 2,235

Ordered to be recorded.

(Signed) P. P. HUTCHINS,
Acting Deputy Secretary to Government.
