to the Controller of Military Finance for report, in communication with the Quarter al of the Army.

10*th April* 1862.

the Controller of Military Finance, Fort Saint George, 11*th October* 1862, *B.*
e honor, in returning the Proceedings of Government in the Revenue Department,

Deputy Quarter Master General of the Army, dated 7th
62, *No.* 7619.
tor Tanjore for Rupees 824-0-0, *with eight annexures.*
from the Collector of Tanjore dated 25th August 1862,

with Memorandum of outstanding balances thereto attached, referred to me for report on the 10th April 1862, to forward documents as per

eceived, and to observe that, as explained in Major Lawder's letter Rupees 233-1-0

of the amount outstanding are disposed of, Rs. 205-9-0 appertaining to Boat-hire, for which countersigned Bills have been transmitted to the Paymaster Trichinopoly, and Rupees 27-8-0 having been sanctioned already by Government.

2. Three small Bills, amounting to Rupees 26-14-0 for charges incidental to the landing of Troops at Negapatam, it will be observed, have been approved by the Quarter Master General and forwarded to the Examiner Pay Department to be passed, and also a Bill for Rupees 46-2-0, for the difference between the old and new rates of hire of Carts employed with Native Department.

*205	9	0
27	8	0
26	14	0
46	2	0
306	1	0

3. The total amount outstanding is Rupees 1,130-1-0, and deducting the sums* adjusted and in course of adjustment, Rupees 306-1-0, the balance Rupees 824 is the amount of the Bill for detention Batta for Carts at Negapatam forwarded by the Collector.

4. The sum is a very large one on that account, but the correspondence attached to the Bill shew how indefinite was the information and the requisitions upon which the Collector had to act.

5. The circumstances of the period the end of 1857 and beginning of 1858, were however very exceptional, and the Military Authorities supplied all the information which apparently it was in their power to give. The detention of Troops was at that juncture above all things to be avoided, and I would therefore submit, with reference to these circumstances, that the charge may be admitted.

ORDER, No. 3682, *24th October* 1862.

Under the explanation afforded in the foregoing correspondence, the Governor in Council sanctions the adjustment of the balance due on account of detention Batta for Carts, as recommended by the Controller of Military Finance.

Rupees 824-0-0
