Proceedings of the Madras Government, Revenue Department, 29th October 1862.

No. 389. Read the following Proceedings of the Madras Government in the Military Department, dated 27th September 1862, No. 3,322.

Read the following papers :—

From the Officiating Superintendent of Pensions, Fort Saint George, 19th September 1862, No. 2,605 ; to the Secretary to Government, Military Department.

SIR,

1. With reference to paragraph 17 of the Order of Government, dated 22nd August 1862, No. 1,785, I have the honor to state that, having addressed Captain Mayne on the 26th idem, requesting to be informed what steps were being taken for testing the accuracy of the Pension Rolls and the systematic arrangement of the Records of his Office.

2. That Officer states that no steps have yet been taken by him in the same, his time being fully employed in paying the Pensioners and Families for the months of June and July, in preparing Muster Rolls for General Muster on the 1st September 1862, and that he considers that an establishment as follows, will be required for five or six months, for the following work, viz., "arrangement of the Records, settling the balances, writing up Pension Rolls and Abstracts for "the months of December 1861, January, February, March, April and May 1862."

1 Writer at 35 Rupees per mensem.
1 Do. at 30 do. do.
1 Do. at 25 do. do.
1 Do. at 20 do. do.

and an allowance of Rupees 10 per mensem for Stationery, &c., &c., making a total of Rupees 120.

From the Officer in charge of Pensioners, Vellore, 30th August 1862, No. 155 ; to the Acting Superintendent of Pensions, Fort Saint George.

SIR,

1. With reference to your letter, No. 2,213 of the 26th instant, and with reference to paragraph 17, I have the honor to inform you that no steps have been taken by me regarding settling the arrears of work in the Pension Office, my time being fully employed in arranging the arrears of work in the Pension Office, in paying the Pensioners and Families for the months of June and July, in preparing Muster Rolls for General Muster on the 1st of September 1862.

2. I consider it will be necessary for Government to grant some establishment for the necessary arrangements of the Records, and for settling the balances, and writing Pension Rolls and Pension Abstracts for the months of December 1861, January, February, March, April and May 1862, as much work is to be done for the past six months as above stated.

From the Officer in charge of Pensioners, Vellore, 15th September 1862, No. 197 ; to the Acting Superintendent of Pensions, Fort Saint George.

SIR,

With reference to your letter, No. 2,370 of the 5th instant, I have the honor to inform you that an establishment as follows, will be required for arranging the Records, settling the balances and writing the Pension Rolls, and putting square the Family money due, &c., writing the Pension Abstract, &c., &c., as there is much work to be done, and much correspondence will be required, I consider that this extra aid will be required for five or six months.

1 Writer at 35 Rupees per mensem.
1 Do. at 30 do. do.
1 Do. at 25 do. do.
1 Do. at 20 do. do.

and an allowance of Rupees (10) ten per mensem for Stationery, &c., &c.

Proceedings of the Madras Government, Revenue Department, 29th October 1862.

From the Controller of Military Finance, Fort Saint George, 22nd September 1862, B; to the Secretary to Government, Military Department.

SIR,

1. In giving furtherance to the accompanying letter from the Superintendent of Pensions, dated 19th September 1862, No. 2,695, together with two letters from Captain Mayne, in charge of Pensioners at Vellore, having reference to the Order of Government, No. 1,785, dated 22nd August 1862, I have the honor to state that the extra aid applied for by Captain Mayne, in his letter No. 197, appears to be far beyond that contemplated in the 17th paragraph of the Order above quoted, and greatly in excess, as seems to me, of the actual necessities of the case.

No. 155, dated 30th August 1862.
No. 197, dated 15th September 1862.

2. Captain Mayne is required to arrange the Records and settle the Pension claims completing the Records from December 1831 to May 1862. For this he requests an extra establishment of Rupees 120 per mensem for five or six months, his permanent allowance being Rupees 105. I should judge that an extra allowance of 50 Rupees per mensem for a period not exceeding five months, would be quite adequate to fulfil the end contemplated by Government, and, as repeated reference may be necessary, it appears to me more advisable to grant the above aid for that period than a large extra establishment for a shorter period.

---

1. Referred to the Revenue Department, with advertence to paragraph 17 of the Order in that Department, No. 1,785, dated 22nd August 1862.

2. The Governor in Council considers that an additional Office allowance of Rupees 50, for six months, ought to suffice for the object in view.
