(Signed) G. LEE MORRIS,
Acting Collector of Tanjore.

To THE HONORABLE SIR WILLIAM DENISON, K.C.B.,
Governor in Council of Fort Saint George.

The respectful Memorial of Her Highness KAMATCHI BOYEE SAHIBA, Senior widow of the late Rajah Seevajee of Tanjore.

SHEWETH,

That upon your Memorialist receiving from the Government Agent possession of the gardens and villages belonging to her late husband, she applied to the Agent for an account of the mesne profits of the said lands from the date the Government took them in charge up to the date of their restoration.

2. This account which the Government Agent, under the sanction of your Excellency's Government, has rendered your Memorialist, exhibits a net total of receipts Rupees 6,06,519-3-3.

3. This sum she prays the Government Agent may be directed to pay her; for the Order of the 21st August, No. 336, being silent on the point; your Excellency's sanction is necessary to authorize such payment.

4. Your Memorialist will not argue upon her right to such payment (though she respectfully submits that it is quite clear), for she feels so deeply sensible of the liberality of the last Order which your Excellency's Government has passed for the settlement of her case, that she is satisfied the silence of the order upon this point is accidental; and she prefers to trust to the same benevolence which has already characterized your treatment of the Tanjore question rather than to rely upon the mere law of the matter.

5. She is well assured that it was the benevolent object of the Government in the liberal settlement they have come to, to provide for the surviving family of one of the oldest and most faithful allies of the English nation, in a manner suitable to their own antecedents, and on a scale commensurate with the honor and dignity of the British Crown.

6. But she trusts she may be pardoned if she desires to draw your Excellency's attention to the truth, that this object of providing for the comfort and respectability of the late Rajah's family, will be defeated, unless your Memorialist has funds at her immediate disposal.

7. The length of time during which the family has been out of possession of the property, the heavy expenses necessarily incurred in prosecuting their case, and other contingencies have saddled the family with a load of liability which it becomes now imperatively necessary to discharge. And if your Memorialist should unhappily be necessitated to start the world with a heavy debt, she would probably never recover, nay never even assume that position of independence and competence which she is confident it is your Excellency's wish to see the Rajah's family maintain.

She prays therefore that your Excellency will sanction the payment to her of the mesn e profits, with interest thereon at 5 per cent., by the Government Agent, or such other medium as may best suit the convenience of your Government.

And your Memorialist will ever pray, &c.

PALACE, TANJORE, 14*th October* 1862.

ORDER THEREON, 28th October 1862, No. 438.
