Proceedings of the Madras Government, Revenue Department, 1st November 1862.

No. 7. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Ootacamund, 25th October 1862, No. 227 :—

SIR,

1. With reference to the Government Order No. 2,199 of the 11th of October 1862, I have the honor to inform you that the District Engineer of the Salem District would be more qualified than I am to give an estimate of the probable cost of a road from Pennagara to Auchitty through Muttúr, he could also state whether the present road from Pennagara to Auchitty (which is a circuitous route and runs round by the Cavery, down a steep ghát) could not be opened for carts at a less cost than making the new road.

2. If either of these roads were opened for carts, I think that the Acha-wood forests might be worked so as to give a revenue, after paying for an establishment, &c., of about 10 or 12,000 Rupees per annum.

No. 8. ORDER THEREON, 1st November 1862, No. 2,331.

The Government will await the submission of the Collector's report,* before applying to the Department Public Works for a formal estimate. Captain Beddome, it is observed, only advocates the construction of the road in the event of its being of general advantage.

* Called for in G. O. 2,199 of 11th October 1862.

(Signed) P. P. HUTCHINS,
Acting Deputy Secretary to Government.
