Proceedings of the Madras Government, Revenue Department, 1st November 1862.

No. 16. Read the following letter from Captain H. ROBERTS, Superintendent of Pensions, to Colonel H. MARSHALL, Secretary to Government, Military Department, dated Fort Saint George, 28th October 1862, No. 3,195 :—

SIR,

1. I have the honor to bring to the notice of Government that, according to the Muster Rolls and Abstracts of the Pensioners at Vellore, for October and November 1861, pay appears to have been drawn for those months for pensioned widow S. McDermott, No. 2,361 of eighth class, but the widow states, that she has not received her pay for those months, and the last Pay Certificate granted to her shows that pay up to September 1861 only has been paid to her.

2. On applying to the present Officer in charge of Pensioners at Vellore for the widow's pension for October and November 1861, he states that it is utterly out of his power to remit the money for those months drawn for the widow, as he has not received any cash balances from the civil powers and therefore declines to comply with my request.

3. Under the above circumstances I request that Government will be pleased to take such measures as it may deem advisable, to enable the widow to obtain the pension due to her.

Referred to the Revenue Department for early notice.
