PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Extract from a Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India (Public Works), to His Excellency the Honorable the Governor in Council, Fort Saint George, dated India Office, London, 16th September 1862, No. 23 :—

Letter No. 40.

Paragraph 4. The report by Mr. Thornhill, the Collector, shows that a great deal of Cotton may be procured from the Kistna District, and it is most desirable that facilities for its conveyance to the coast should be provided, by the construction of the roads for which the District Engineer has been desired to furnish plans and estimates.

5. With regard to the improvement of the port of Nizampatam, however, I am inclined to doubt whether much good can be done without a larger outlay than the traffic of the place would justify.

ORDER THEREON, 28th October 1862, No. 2,573.

1. Paragraph 4 of the foregoing Despatch will be communicated to the Revenue Department and to the Deputy Chief Engineer, Northern Circle, with reference to the Proceedings in this Department, dated 12th April 1862, No. 744. Colonel Ludlow will be good enough to ascertain and report what progress has been made in the preparation of the estimates called for, for the improvement of certain roads in the Kistna District.

2. Paragraph 5 of the Despatch will be communicated to the Marine Department and to the Deputy Chief Engineer, Northern Circle. The Government would wish to be informed what has been done for ascertaining the condition of the port of Nizampatam and what improvements are required to be adopted for its improvement.
