MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Barrack Master Presidency, Fort Saint George, 14th October 1862, *No.* 669; *to the Secretary to Government, Military Department.*

I have the honor to report that repairs are required to "Landon's Garden House"—white ants appear to be working about the beams in the Verandah, and the plaster from the cornices and walls is giving way, but previous to making any requisition on the Executive Department, it appears advisable to consider, whether the Premises can be retained with any advantage, or whether it would not be preferable, to dispose at once, of both the building and ground around it.

2. The recoveries at present are Rupees 100 per mensem, (Office allowance withheld from the Judge Advocate General) and Rupees 35 for the grounds, fruit, grazing, &c., besides additions from the sale of hedge-cuttings, roots, &c.,—the account up to this date being Rupees 3,677-11-6. (from December 1858 to 14th October 1862.)

ORDER, No. 3746, 29*th October* 1862.

The Governor in Council is of opinion, that as the object for which the property called Landon's Gardens was purchased by Government, has apparently been indefinitely postponed, it will be more advisable to dispose of it than to incur further expenditure for repairs. The Barrack Master will accordingly take steps, in communication with Departments concerned, to advertise the property for sale by private Contract, and report the result to Government.

2. The expediency of retaining or disposing of the land acquired, through the Revenue Department, as recorded in the Proceedings marginally noted, will be considered in that Department, it being no longer required for Military purposes.
