No. 64. *PROCEEDINGS OF THE MADRAS GOVERNMENT.*

Dated 5th November 1862, No. 2,360.

The attention of the Governor in Council has been drawn to a notice issued by the Deputy Director of Revenue Settlement in the Trichinopoly District, publishing a summary of the principles on which the new Settlement for Trichinopoly has been based and of the alterations which it is proposed to make in the Revenue system of the District. Some of the alterations referred to are the subject of proposals now under the consideration of Government, and with reference to which any notification from the Settlement Department is altogether premature. The Governor in Council directs that the notice in question be at once cancelled. The Collector should have prevented its being published in the District Gazette.
