*Proceedings of the Madras Government, Revenue Department,
7th November 1862.*

No. 86. Read the following Proceedings of the Madras Government in the Military Department, dated 27th October 1862, No. 3,719 :—

Read the following Proceedings of the Madras Government in the Revenue Department.

Referring a letter from the Agent, Madras Irrigation and Canal Company, stating that the portion of ground on the Light House Esplanade now occupied by the Company's plant, will, in all probability, be required for the next two years. } (Here enter 22nd October 1862, No. 2,257.)

The Governor in Council considers the requisition of the Agent of the Madras Irrigation and Canal Company, to be permitted to occupy a portion of the Light House Esplanade of the Fortress, with the plant of the Company, for a period of two years, to be inadmissible. Government have no objection to a temporary occupation of the site for the purpose in question,—say for a period of six months from date of this order, after which the Company must make their own arrangements for the storage of their plant as others do.

Secretary to Government.

No. 87. ORDER THEREON, 7th November 1862, No. 2,372.

Ordered to be communicated to the Consulting Engineer for the Irrigation and Canal Company through the Public Works Department. The Board of Revenue will instruct the Collector of Madras to treat the land alluded to in regard to ground rent, as any other Government land used by private individuals or Companies. The Government see no reason to make an exception, in this respect, in favor of the Irrigation Company, as suggested in last paragraph of Colonel Ludlow's letter, dated 8th August 1862, No. 50.
