*Proceedings of the Madras Government, Revenue Department,
7th November 1862.*

No. 90. Read the following letter from W. HUDLESTON, Esq., Secretary to the Board of Revenue, to Honorable T. PYCROFT, Chief Secretary to Government, dated Madras, 30th September 1862, No. 6,572:—

SIR,

1. With reference to paragraph 6, Clause 2 of his Excellency's Minute, recorded in the Proceedings of Government dated 22nd November 1861, No. 2,203,* I am directed by the Board of Revenue to submit the accompanying Statement showing the probable amount of Customs duty for 1862-63 as compared with the actuals of 1861-62, distinguishing the revenue derived from articles paying a specific duty from that charged on articles with reference to their Tariff and Market values.

2. The Statement has been prepared on the most recent information obtained from the Collectors with reference specially to the present call. It will be seen that as compared with the Budget Estimate the amount of duty for 1862-63† estimated in the present Return shows a large falling off, which is due mainly to the operation of Act XI of 1862. The same explanation holds good for the large decrease in the estimate as compared with the actuals of 1861-62.
