Proceedings of the Madras Government, Revenue Department, 7th November 1862.

No. 94. Read the following Proceedings of the Madras Government in the Judicial Department, dated 31st October 1862, No. 1,792 :—

Read the following letter from D. F. CARMICHAEL, Esq., Acting Agent to the Governor of Fort Saint George, Vizagapatam, to the Honorable T. PYCROFT, Chief Secretary to Government, Fort Saint George, dated 15th October 1862, No. 543.

SIR,

1. In the Order of Government, Revenue Department, 11th February 1860, No. 215, the Government approved of the transfer to Ganjam, of twenty detached villages in the Wádáda Táluq, belonging to the Vizianagram Zamíndári.

2. In one of these villages a case of stabbing occurred, which the Sub-Magistrate of Chicacole committed to the Court of the Governor's Agent, Ganjam; but, on the case reaching Chutturpore, Mr. Forbes sent it all the way back again, for commitment to my Court of Session, on the ground that there was nothing in the Order of Government, about any change in *Criminal* jurisdiction.

3. There certainly is no mention of this particular jurisdiction, and not to waste further time, I tried and disposed of the case. But on looking at the Order, I think it was the intention of Government to make a conclusive transfer of these villages to the Ganjam District; and I have the honor to refer the matter, so that there may be no room for doubt in future.

Under Section VIII, Act XXIV of 1839, the Agencies cannot be altered territorially without the previous sanction of the Governor General in Council. But in place of making a separate application in respect to the twenty villages transferred from the Vizagapatam to the Ganjam District, the Government will include them in the general reference which will shortly be made to the Government of India in respect of the Agencies.
