№ 26.

From J. C. St. Clair Esqre
Acting Joint Magistrate
To D. Grant Esqre
Magistrate of Coimbatore

Sir,

With reference to the Proceedings of Government of the 21st July No. 1150 and 13th August No. 1301 regarding the establishment of Subsidiary Jails in the taluq Cutcherries, I have the honor to bring to your notice that the present Cutcherry at Carour does not afford sufficient accommodation for Prisoners, all of whom are now promiscuously huddled together in a Space 12 feet square.

2 : As the subsidiary Jail at this place will usually have to receive persons under trial and sentence for short periods by the Joint Magistrate in addition to those sentenced by the Sub Magistrates of Carour and Aravakoorchy, some considerable alterations are required in order to meet the requisitions

requisitions of Government as regards the
Separation of the different classes of Prisoners.

3 Two plans are accordingly herewith
submitted. In the first it is proposed to
build an additional record room on the
East side of the present Cutcherry and then
to render available for the reception of Prison
=ers. the present record room (marked C) in
addition to the smaller space (B) now used
as a lock-up. But even this would scarcely
allow of the Prisoners being separated into 4
classes, and to ensure proper accommodation
for them the adjoining room (A) would
have to be added to the Jail and the Police
who now occupy it, would have to provide
themselves with a station house elsewhere.

4. In the second plan it is proposed
to remove the taluq Cutcherry from the
building now used to a large travellers
Choultry situated about ¼ mile west
of the town between the travellers bungalow
and a house belonging to the Public Works

Department. The present Cutcherry build:
=ing in the center of the bazaar is in many
respects ill-adapted for its purpose- Apart
from the noise and other inconveniences
inseparable from its situation, the building
itself does not offer sufficient accommodac
=tion for the transaction of public business
Its situation in the middle of the town
renders it still more inconvenient as a
Jail, and its only advantage is derived
from its central position as a Police station.
I have already stated my opinion, however,
that if the present Cutcherry be used as
a jail it can no longer provide accom:
=modation for the Police-

5 On these grounds, and with a view
to saving the expense of erecting a Separate
Police station, it is proposed to occupy as
the taluq Cutcherry one half of the Choultry
above mentioned, the other half being
used as a police station and subsidiary
jail

jail. The Choultry is a very large and commodious building, at present divided by two cross walls into 4 equal and similar compartments. Owing doubtless to its distance from the town it is not used by travellers, there being already two large Chultrums situated in the town itself.

6. A plan is enclosed representing the alterations which would be required in the portion to be occupied as a Cutcherry. A wall would have to be removed and a treasure room built in the open space in the centre. The addition of a few doors and windows complete the alterations absolutely necessary and the cost would not exceed Rs 250. With regard to the other side of the building the Assistant Superintendent of Police Lieutt Colt Temple in a plan forwarded by him previous to his departure to the Superintendent of Police proposed to adopt as lock-ups the enclosed spaces on each side corresponding to those marked A.B.C. in the plan. This arrangement would give ample accommodation for Prisoners and admit of their complete separation according to class and sex. The cost of the necessary alterations would of course be borne by the Police, as by the proposed arrangement they are saved the expense of erecting a separate station house.

7. I think that this plan possesses considerable advantages over the first. The removal of the Cutcherry from the middle of a crowded bazar to an open situation at a moderate distance from the town, and the increased accommodation in every respect thereby afforded more than counter-balance any disadvantages that have been suggested to me.

8. The present building if given up as a Choultry would be far more convenient for travellers than the Chultrum, which, as I have before stated, is

Comparatively unfrequented, and a great portion of which is permanently occupied by individuals who ought to provide accommodation for themselves.

9. Were the Police to defray the cost of the alterations on the side of the Chattrum proposed to be made over to them, the second plan would not be more expensive to the Magisterial Department than the first. I submit, however, the two projects for your consideration, and defer the preparation of correct plans and estimates until I learn your wishes in the matter.

JUDICIAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from P. GRANT, Esq., Magistrate of Coimbatore; to the Honorable T. PYCROFT, Chief Secretary to Government, Fort Saint George, dated Coimbatore, 21st October 1862, No. 68.

With reference to the Proceedings of Government, Judicial Department, No. 1,150, dated 21st July 1862, I have the honor to report that I at once sent orders to the several Sub-Magistrates in the District calling for lists of Subsidiary Jails to be established in the Taluq Cutcherries. The necessary information is now being collected, and when it is complete, which I hope will be shortly, I will duly submit my general report to Government. Meantime I beg to forward for consideration and Orders of Government copy* of a letter from my Acting Joint Magistrate, dated 20th ultimo, No. 26, regarding the Jail to be establi-hed in the Taluq Cutcherry at Caroor.

* With two plans which it is requested may be returned.

2. Mr. St. Clair states that the present Cutcherry at Caroor does not afford sufficient accommodation for prisoners, all of whom are now promiscuously huddled together in a space of 12 feet square. He suggests two plans; 1st, to improve and enlarge the present building, and 2ndly, to remove the Taluq Cutcherry to a large Travellers' Choultry situated about ½ mile west of the town between the Travellers' Bungalow and a house belonging to the Public Works Department, and considers that the second plan possesses considerable advantages over the first. He remarks that the present Cutcherry building in the centre of the bazaar is in many respects ill-adapted for its purpose, whilst the Choultry is a very large and commodious building, but little used by travellers owing to its distance from the town. He adds that the Choultry may with some repairs and improvements be made available for the Taluq Cutcherry, the Subsidiary Jail and the Police station, and recommends its being so used, and the appropriation of the present Taluq Cutcherry as a Chuttrum for Travellers. In this I concur.

3. A reference to the records of my office shows that the present Choultry was constructed by Government from Chuttrum Surplus Funds at a cost of Rupees 3,155-11-0, under the sanction of Government conveyed in Extract Minutes of Consultation of the 7th October 1854, No. 430, Public Works Department, and if Government approve of the proposed exchange, I will request the Acting Joint Magistrate to prepare an Estimate for the necessary repairs and improvements to the Choultry.

4. The two other Chuttrums alluded to in para. 5 of Mr. St. Clair's letter, are private ones, and are used exclusively by certain classes of travellers. One Government Chuttrum at Caroor for accommodation for all classes is absolutely necessary, for which the present Cutcherry building will do well.

ORDER THEREON, 4th November 1862, No. 1,807.

The Governor in Council authorizes the removal of the Taluq Cutcherry at Caroor to the Government Chuttrum, referred to in the foregoing letter—the present Taluq Cutcherry being in future used as a Chuttrum open to all classes.

2. The plan of the Chuttrum will be forwarded to the Public Works Department, whence orders will be issued for the execution of the alterations and additions proposed by the Acting Joint Magistrate.

3. A part of the building will be used as a Subsidiary Jail and Police station.
