SIR,

1. Government in their G. O. No. 1,696 of the 9th August 1862, having placed the forests in South Arcot joining the Cotaputty and Ahtoor forests under the charge of the Assistant Conservator of Salem forests, I have the honor to inform you that a small establishment as per margin will be necessary for the conservancy of these forests, and request that you will obtain sanction for the same.

2 Peons @ „ 6 each..	12
Total.....	24

2. I have made provision for this new establishment for 1863-64.

No. 118. ORDER THEREON, 12th November 1862, No. 2,388.

1. In the establishment sanctioned last year for the conservancy of the Salem jungles the pay allowed to each Peon is 5 Rupees. The Officiating Conservator now applies for a Daffadár and two Peons for the South Arcot jungles lately* added to the charge of his Assistant in Salem, and he proposes to give each Peon 6 Rupees per mensem. It appears to Government that all the Peons should be paid alike, but Captain Beddome will be requested to state whether any reason exists for allowing those in South Arcot a higher salary. The Governor in Council will then be prepared to determine what establishment is required, and to apply for the sanction of the Government of India.

* Proceedings 9th August 1862, No. 1,696.

2. For this purpose Captain Beddome will submit a Tabular Statement in the prescribed form with a Memorandum of the other particulars required in G. O. 14th May 1862, No. 1,062.
