Proceedings of the Madras Government, Revenue Department, 15th November 1862.

No. 175. Read the following Proceedings of the Board of Revenue, dated 27th October 1862, No. 7,121 :—

Read the following letter from A. PURVIS, Esq., Collector of the Godavery District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Cocanada, 8th October 1862, No. 207.

SIR,

1. I have the honor to state that a sum of Rupees 40,518 was sanctioned by Government under date the 28th June 1859, No. 859, being the amount of compensation due up to Fasli 1265 to certain Inámdárs and proprietors for lands taken up by the Godavery channels and embankments. Of this sum, Rupees 19,503-0-2 were, before the receipt of the above sanction, paid to certain Inámdárs for ten Faslis from 1256 to 1265. A further sum of Rupees 1,276-1-3 was also paid to Inámdárs for Fasli 1266 alone, which sum was not included in the above sanctioned amount, as it belonged to a subsequent year. These sums were first paid to the Inámdárs debiting the same under the head of Advance.

2. The exent of land, &c., for which the above compensation of Rupees 1,276-1-3* was paid, is included in the particulars given in the Statement No. 1 forwarded with my letter of the 5th May 1858. This sum has long remained unadjusted in the accounts, and I had hoped to be able to send in a general Statement showing the amount of compensation still to be paid, but my report is not yet quite ready, and I do not like longer to delay this application.

3. It is this item which is referred to in the Board's Proceedings of the 10th September, and I fear I was wrong in deferring the application till the general Statement was likely to be ready.

4. It is due to the Deputy Collector in charge of the Treasury that I should declare that he is in no way responsible for the non-adjustment of the item, as he has frequently brought the existence of it to my notice.

ENCLOSURE No. 1.

ABSTRACT.—Statement showing the amount of compensation paid in Fasli 1266 on account of Ináms occupied by channels and embankments out of Advances, and still remaining unadjusted and requiring sanction.

ENCLOSURE No. 2.

ABSTRACT.—Memorandum of items of Miscellaneous Advance which have been outstanding more than one year in the Collectorate of Godavery.

1. Ordered to be submitted for the information and orders of Government, with reference to their Proceedings dated 16th August 1862, No. 1,739.

2. The Collector states that the unadjusted advance, Rupees 1,276-1-3, being compensation paid to certain Inámdárs for loss of produce on lands taken up for the Godavery channels and embankments, does not form part of the 40,518 Rupees sanctioned by Government on that account in their Proceedings of the 28th June 1859, No. 859, as that amount was only calculated to cover the compensation due up to Fasli 1265, whereas the advance now in question was made on account of Fasli 1266. It therefore requires to be sanctioned by Government, to enable the Collector to adjust his accounts.

3. The Collector explains that he had intended to include this advance (Rupees 1,276-1-3) in a general Statement of compensation still to be paid, and this appears to have been the cause

of the long delay. The Collector admits the error, but relieves his Treasury Deputy of all blame in the matter.
