Proceedings of the Madras Government, Revenue Department, 15th November 1862.

No. 181. Read the following letter from Captain E. HEMERY, R. E., Acting Deputy Chief Engineer, Central Circle, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Chepauk, 1st November 1862, No. 98 :—

SIR,

1. I have the honor to solicit sanction for the enclosed estimate, amounting to Rupees 1,170, for converting the Overseer's Bungalow at Madanapalli, the head quarters of the Sub-Collector in the Cuddapah District, into a Travellers' Bungalow.

1 Spare copy of the Proceedings of the Board of Revenue, No. 6,237, dated 17th September 1862.
1 Plan.
1 Estimate.

2. Madanapalli is situated on the road from Cuddapah to Bangalore; in the Mysore territory, Bungalows are being constructed along the new line of road which meets the Cuddapah frontier at Siglibail, within 8 miles of Madanapalli, the first being at Rálpád 12 miles from that place. There are also Bungalows at Gurramkonda 19 miles north, and at Punganur 17 miles south of Madanapalli, where at present there is no accommodation whatever for travellers.

3. In former days the necessity for a Travellers' Bungalow at Madanapalli did not exist, but now that the roads leading to it in every direction have been improved the number of *bonâ fide* travellers passing through has greatly increased.

4. The Acting District Engineer proposes to convert a Bungalow formerly occupied by the Overseer in charge of the Madanapalli Táluq into a Bungalow for travellers, and the project meets with the cordial approval of the Sub-Collector and of the Collector.

5. The Board of Revenue, in returning the estimate with their approval, suggested certain alterations in the arrangement of the doors which have accordingly been made.

6. The amount of the estimate can be defrayed from the General Funds at the disposal of the District Engineer for the current official year.

Referred to the Revenue Department.
