Proceedings of the Madras Government, Revenue Department, 18th November 1862.

Read the following letters:—

No. 207. From Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Ootacamund, 30th October 1862, No. 243:—

		Total	434 8 0
		Deduct the amount of the present scale	207 8 0
		Increase Rs.	227 0 0

SIR,

1. As we are now working the South Canara forests ourselves, and operations on an enlarged scale are proposed, an increase to the present establishment as per margin is absolutely necessary. South Canara is a large District and the two Assistant Overseers are much required, there are twenty rivers in the District running from the Ghâts to the coast only, seven of which are at present probably guarded.

2. If Government will sanction the increased establishment for which I have made arrangements in the Budgets for 1863-64, we shall be able to show a good from return this District.

No. 208. From Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Ootacamund, 30th October 1862, No. 244.

SIR,

1. As Captain Gib is to be relieved from the supervision of the Mysore forests, it is my intention to work the Wainád forests to a much greater extent, for this purpose an increased establishment as per margin will be required. I have made provisions for this increased establishment in the estimate for 1863-64.

Present Scale.		Proposed Scale.	
	Rs.		Rs.
1 Assistant Conservator of Forests	390	1 Assistant Conservator of Forests	390
1 Writer	35	1 Overseer	50
1 Gumáshta	20	1 Writer	45
1 Daffadar	10	1 Gumashta	20
14 Peons at 6 Rs. each	84	1 Assistant do.	15
Total Rupees	539	1 Daffadar	12
		10 Peons at 7 Rs. each	70
		Total Rupees	602
		Deduct amount of the present scale	539
		Increase per mensem	63

2. I may here explain that Captain Gib's present establishment was granted him when he was first appointed to the charge of Wainád, his duties then were chiefly travelling over the forests to guard against clandestine felling and selling dry Teak trees that had in former years been ringed for tukkal. It is now proposed that we should systematically work the forests and fell the green Teak ourselves. A good return may be looked for, as there is a ready market for Teak

3. May I request that you will obtain the sanction of Government for this extra establishment.

No. 209. ORDER THEREON, 18th November 1862, No. 2,433.

1. In these letters the Officiating Conservator of Forests requests sanction for increasing the establishments of the South Canara and Wainád forests at an additional cost respectively of Rupees 227 and 63 per mensem, for which it is stated provision has been made in the Budget for 1863-64.

Proceedings of the Madras Government, Revenue Department,
18th November 1862.

2. The Governor in Council is unable to accord the required sanction as it appears that the increased charge cannot be met out of the current year's Budget. Captain Beddome will forward, for transmission to the Government of India, a Tabular Statement in the prescribed form of the present and proposed establishments for the forests in question, with the particulars required by the Circular of the Government of India of 15th March 1862.* He will also furnish fuller information as to the revenue returns and other advantages expected to result from the employment of the increased agency proposed by him.

* Communicated with G. O., 14th May 1862, No. 1,062.

Deputy Secretary to Government.
