*Proceedings of the Madras Government, Revenue Department,
21st November 1862.*

No. 253. Read the following Proceedings of the Board of Revenue, dated 12th November 1862, No. 7,431 :—

Read the following letter from J. SILVER, Esq., Collector of Tinnevely, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 24th October 1862, No. 443.

SIR,

With reference to the Board's Miscellaneous Circular, No. 6,709, dated 7th October 1862, transmitting Order of Government dated 25th September 1862, No. 2,083, on the subject of an Exhibition proposed to be held in the Tinnevely District, I have the honor to state that the sanction has arrived too late, to enable me to make due arrangements for an Exhibition in the month of January next as I had proposed, with a fair prospect of success. I cannot either fix any other month in the early part of the year for it. From February, my time will be occupied in preparations for the contemplated Pearl Fishery, which I do not expect will terminate, till after the middle of April. Then the Settlement has to be commenced; and from July, the people are busy with the Car crop. I therefore purpose with the Board's sanction, to postpone the proposed Exhibition till January 1864. I do not think it desirable, either that the Exhibitions should be too frequently held, or that they should be conducted in a hurried manner, and by postponing the Exhibition for a year, full time will be allowed for such arrangements as will best tend to insure a successful result.

Ordered to be submitted for the sanction of Government. The Collector has made no provision for this purpose in his Budget for 1863-64 now in the Board's Office, and a sum of Rupees 4,000 will therefore be inserted by the Board.
