No. 255. Read the following letter from J. VANS AGNEW, Esq., Chairman of the Carnatic Coffee Company, Limited, to the Honorable T. PYCROFT, Chief Secretary to Government, dated Madras, 23rd October 1862 :—

SIR,

1. On the 21st January last I had the honor to address you a letter applying for certain land under Lord Canning's Order of the 17th October 1861. To this letter I have not been favored with any reply, but on the 28th February the Private Secretary to His Excellency the Governor wrote to me as follows:—"In reply to your letter of the 24th (February 1862) "regarding an application for land required by the Carnatic Coffee Company, I am desired to inform "you that the Madras Government have requested the re-consideration on the part of the Supreme "Government of certain important points connected with the sale of waste lands in this Presidency, "and pending the decision of the Supreme Government the Collectors have been instructed to "take the necessary preliminary measures for ascertaining whether the lands applied for are "available and so forth." Thus the matter stands at present.

2. The Despatch of the Secretary of State for India to the Governor General of India in Council, Revenue, No. 14, dated 9th July 1862, paragraph 76, provides that any arrangements already completed under Lord Canning's Order, of 17th October 1861, shall be scrupulously carried into effect.

3. As all necessary arrangements as far as the Carnatic Coffee Company, Limited, is concerned were completed in January last, by my letter to you applying for the land in question, and as the Company has been put to some expense regarding this land, I am desired to claim it under the provisions of Lord Canning's Order, and to request the favor of an early reply to this second application for it as to my letter to you of 21st January 1862.

No. 256. ORDER THEREON, 21st November 1862, No. 2,457.

1. Forwarded to the Collector for early report (after communication with the Conservator of Forests) as to whether there is any objection to the sale of the lands in question under such rules as may ultimately be sanctioned.

2. The Government do not admit that this application comes within the scope of paragraph 76 of the Despatch of the Secretary of State dated 9th July 1862, No. 14.

(Signed) J. D. SIM,
Secretary to Government.
