*Proceedings of the Madras Government, Revenue Department,
21st November 1862.*

No. 261. Read the following Proceedings of the Board of Revenue, dated 13th November 1862, No. 7,481 :—

Read the following letter from T. A. N. CHASE, Esq., Acting Sub-Collector in charge of the Godavery District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Rajahmundry, 1st November 1862, No. 220.

SIR,

1. I have the honor to inform you that Major Macdonald has applied for permission to have the Kacheri of the late Ralinghy Taluq handed over to him for the accommodation of the School there.

2. I have informed him that it is at his service pending the sanction of the Board of Revenue.

3. I see no reason why this Kacheri should not be converted into a School room, except that, if the house were put up to public auction, I think it might fetch a good price, especially as it is the Head Quarters of the Neddavole Zamindari; and the Zamindar being without a Kacheri, might be tempted to become a purchaser, and against him, the Educational Department could not bid; for I hear the funds at their disposal for the School at Ralinghy, only amount to 200 Rupees.

4. But, should the Board be inclined to transfer that building free of all charges from the Revenue Department to the Educational Department I have no objections to offer.

5. I may mention that, this Kacheri was placed at the disposal of the Superintendent of Police, but as there is no Police station there, or any likelihood of one being hereafter made there, from its nearness to Tanuku, no probability exists of the Police Superintendent ever requiring it.

Ordered to be submitted to Government, with the Board's recommendation that the Kacheri be transferred to the Educational Department at a valuation determined on by the District Engineer.

No. 262. ORDER THEREON, 21st November 1862, No. 2,460.

The transfer of the building from the books of the Revenue to those of the Educational Department on a valuation to be fixed by the District Engineer, is sanctioned.
