2. The provision in the current year's Budget, viz., Rupees 40,555, for Establishments, &c., of Travellers' Bungalows and Native Choultries having been struck out, as intimated in Mr. Drummond's letter, of 21st June 1862,* "pending the decision of the Committee which has been appointed under orders in the Home Department, dated 11th March 1862, in respect to the Department to undertake the control and bear the cost of Dawk Bungalows, the Government are unable to deal with the present applications, and they direct me to submit the papers for the consideration and early orders of the Government of India.

4. It seems to the Government desirable, that applications of the nature in question should receive prompt attention, and to ensure this I am directed to request that, pending further orders, they may be permitted, in pursuance of paragraph 43 of Mr. Drummond's letter above quoted, to sanction such necessary charges on account of Bungalow Establishments as can be met out of the grant of Rupees 40,555, which it is hoped will be allowed to be retained in the Budget for the purpose. Should this, however, be deemed impracticable, the Government desire to be furnished with the early orders of the Government of India on the points referred to above in paragraph 2.

SUBMITTED to Government, with reference to paragraph 7 of their Proceedings, dated 27th May 1862, No. 1179.

2. It will be observed that in his letter of the 14th April 1862, No. 50, laid before Government, with the Board's Proceedings of the 30th idem, No. 2717, the Collector stated that the charge could be met from the provision made in the Budget for 1862-63, under the head "Unforeseen Charges."

		Madura Travellers' Bungalow.	Pensioned Sepoy .. 2 12 9	1 Maty .. 6 0 0 1 Toty .. 3 0 0	6 3 3						Casual.	The Bungalow is one of those to which crockery and furniture were furnished, and occupation fees ordered to be collected. The Bungalow was only in charge of a pensioned Sepoy, who is unable to take care of the furniture, &c. The Bungalow is frequented by many travellers, who greatly felt the want of a servant to assist them, and consequently a Maty was employed as an experiment for six months, and the enhanced fees payable at Bungalows where extra servants are employed, collected. It is found that the fees would leave a surplus after paying the servants. This arrangement will provide for the safety of the furniture and cleanliness of the Bungalow, at the same time adding to the comfort and convenience of Travellers. Under these circumstances a Maty on 6 Rupees per mensem, and a Toty on 3 Rupees are recommended, while the services of the pensioned Sepoy are to be dispensed with.					
			2 12 9	9 0 0												

P. S.—The Maty should be paid from 1st May 1862, and the Toty from date of sanction. Provision is made in the Budget for 1862-63, for Rupees 6 per mensem for the pay of the Maty under E. "Works of Internal Improvement and Public Convenience," and is included in the item "Servants" of "Travellers' Bungalow," and the pay of the Toty is to be met from the provision made for the batta to the pensioned Sepoy, Rupees 2-12-9, under 10 Miscellaneous, and is included in the item "Other Items," and for contingent charges under E. Works of Internal Improvement and Public Convenience, &c.

ENCLOSURE, No. 2.

Memorandum.

THE charge entered in the accompanying Statement took effect from the 1st April 1862.

2. It has been provided for in the Budget Estimates for 1862-63, under the head "E. Works of Internal Improvement and Public Convenience, Miscellaneous."

3. The charge was temporary, and ceased on the 30th June 1862, the date from which the Beypore Bungalow was taken by Monsieur Hoaran for an Hotel.

4. The Establishment sanctioned for the Manantoddy Bungalow, under date the 15th January 1861, was never entertained. The saving may therefore be said to have taken effect from that period, and to appertain also to the head "E. Works of Internal Improvement and Public Convenience, Miscellaneous."

Paragraph 2.

CALICUT,
16*th July* 1862.

J. A. BALLARD,
Collector.

SUBMITTED for the orders of Government, with a copy of the Board's Proceedings, 26th June 1862, No. 4108.

2. In their Proceedings of the 10th March 1862, No. 518, Government sanctioned the transfer, to the Beypore Bungalow, of the authorized Establishment* for that at Manantoddy; but as the Civil Pay Master declined to pass the charge, the Board called for a Tabular Statement. It appears that the Manantoddy Establishment, though authorized, was never entertained; which may perhaps account for the Civil Pay Master's refusal to pass the charge at Beypore. The servants were entertained at Beypore on the 1st April 1862, and continued to be paid by the Collector till the 30th June 1862, when the Bungalow was made over to Monsieur Hoaran for an Hotel,† so that the charge has already ceased; but as the transfer of the Bungalow is an experimental measure, subject to report after four months, the Board beg to recommend that the Establishment be sanctioned, provision having been made for it in the Budget.

† *Vide* Government Proceedings, 23rd May 1862, No. 1140.

Proceedings of the Board of Revenue, dated 4th August 1862, No. 5049.

Read the following letter from E. B. FOORD, ESQ., Acting Collector of Bellary, to W. HUDLESTON, ESQ., Secretary to the Board of Revenue, Madras, d. 19th July 1862, No. 116.

WITH reference to the Proceedings of the Board of Revenue, No. 1072, dated 14th February last, communicating the Proceedings of the Madras Government, dated 4th idem. No. 187, regarding the Sepoy employed at the Travellers' Bungalow at Yettinhatty, I have the honor to state for the information of the Board of Revenue, that the Sepoy who was employed at the old Bungalow at Coodathany, was not transferred to the Yettinhatty Bungalow, as stated in the 6th paragraph of the Board's letter to Government, dated 28th January 1858, No. 437, which led the Government to think that the necessity

for the present application is not apparent, but the Sepoy was transferred from the *old* Bungalow at Coodathany to the *new* one in the same place, as stated in the then Collector's letter* to the Board of Revenue, dated 29th January 1857. Under these circumstances, I beg to request the Board will be pleased to obtain the necessary sanction at an early date to enable the Civil Pay Master to pass the batta of the Sepoy from the 15th September 1860, that Officer having rerurned unaudited the bills on that account sumitted to him for audit.

* No. 11.

ORDERED, to be submitted to Government, with reference to their Proceedings, 4th February 1862, No. 187, together with the Tabular Statement received with the Collector's letter, 27th June 1861, No. 118.

2. On referring to the former correspondence, the Board observe that the Collector's explanation is correct, and that they inadvertently stated in paragraph 6 of their letter, 28th January 1858, No. 437, that a Sepoy had been transferred to the Yettinhatty Bungalow from the old one at Coodathany, whereas the fact was that the Sepoy had been transferred from the old to the new Bungalow at Coortany, so that a Sepoy is actually needed at Yettinhatty.

3. In his letter, dated 19th October 1861, No. 186, laid before Government with the Board's Proceedings, 7th December 1861, No. 6810, the Collector stated that he had provided for the charge in the Budget of 1861-62. It is presumed that the Collector has made similar provision in the Budget of the current year; and on this understanding, the correctness or otherwise which the Collector will report, the Board recommend that the entertainment of the Sepoy be sanctioned.

4. As the Government are already aware (Government Proceedings, 30th September 1861, No. 1883), the Sepoy has been employed at the Yettinhatty Bungalow since the 15th September 1860. Pending the sanction of the Government of India to the Tabular Statement now submitted, the Board recommend that the Collector be authorized to disburse the Sepoy's batta, as an advance to be adjusted hereafter.

ORDER THEREON, 2ND SEPTEMBER 1862, No. 1863.

RESOLVED, that the foregoing papers be submitted for the consideration and orders of the Government of India.

To the Board of Revenue.

					The growing importance of Beypur has rendered the entertainment of this Establishment in the Bungalow at that station highly desirable. The charge took effect from 1st April 1862, but it will not be incurred so long as the building remains in charge of Monsieur Hoaran, to whom the Government have recently made it over for an Hotel, as an experimental measure. 					The number of Travellers on the road on which this Bungalow is situated being very limited, the application is restricted to a Sepoy who is to have charge of the building. Sanction is required from 15th September 1860, the date on which the Sepoy was unauthorizedly entertained by the Collector. The irregularity has been pointed out to that Officer.
