Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated, Trichendoor, 30th December 1861, No. 585.

SIR,

With reference to the Orders of Government, dated the 4th December last, No. 2,226, communicated to me by the Board on the 6th idem, stating that the annual cost of clearing the Tharuvi Drainage Channel will be 200 Rupees, after a first outlay of Rupees 400, and that both these amounts should be defrayed equally by Government and the Pagoda, I have the honor to report that as the District Engineer in his letters to me of the 19th September and 21st October 1861, stated that the first outlay would cost Rupees 450, and the subsequent annual expenditure be Rupees 150, and requested that Rupees 225 on account of the first item might be recovered from the Trustee of the Pagoda and remitted to him, I directed the Tahsíldár of Punchamahl Division to communicate the same to the Trustee, who has agreed to defray the share due by the Pagoda, and has accordingly paid Rupees 225 for the first clearing of the Channel.

Ordered to be submitted for the information of Government, with reference to their Proceedings quoted by the Collector.
