Proceedings of the Madras Government, Revenue Department, 8th February 1862.

No. 173. Read the following letter from W. HUDLESTON, Esq., Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 8th February 1862, No. 889 :—

SIR,

1. I am directed by the Board of Revenue to bring to the notice of Government, that the space available for their Records in the portion of Government House assigned for their Office is altogether inadequate to contain them, even after the most economical distribution has been made of the room occupied by the rest of their Establishment.

2. It is calculated that less than one-half of their Record Almirahs can be placed in the available space, and that even this number will be inconveniently crowded.

3. Under these circumstances the Board would suggest, for the consideration of Government, that the remaining rooms in the north wing downstairs be placed at their disposal, and that accommodation be provided elsewhere for the Office of the Conservator of Forests, which it was proposed to place in these rooms.

4. The Board beg leave to request early orders, as their Records are in course of being conveyed from Chepauk to the Government House,—under contract limited as to time,—and they are also informed that the Conservator's representative is compelled to come to a speedy decision as to the retention or relinquishment of the house now occupied by that Office.

No. 174. ORDER THEREON, 8th February 1862, No. 249.

The Barrack Master is requested to re-consider his allotment of space to the Board of Revenue, and to report whether the Forest Conservancy Department can be accommodated in the detached southern Bungalow of the Chepauk Palace, lately vacated by the Revenue Board.

(Signed) J. D. SIM,
Secretary to Government.
