Proceedings of the Madras Government, Revenue Department, 4th December 1862.

No. 65. Read again letter from Secretary to the Board of Revenue, dated 30th September and recorded in Government Proceedings 18th October 1862, No. 2,233 :—

Read also the following letter from W. HUDLESTON, Esq., Secretary to the Board of Revenue, to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, dated Madras, 4th November 1862.

SIR,

1. With reference to the Proceedings of Government, dated 18th October last, No. 2,233, I am directed by the Board of Revenue to submit a Tabular Statement in the prescribed form for the proposed increase of pay to the Collector of Kurnool.

2. It is not in the Board's province to suggest that a corresponding change should be made in the Judicial Department of the District service, but they doubt not that the point will receive due consideration from Government.

No. 66. ORDER THEREON, 4th December 1862, No. 2,543.

1. In the first of these letters the Board of Revenue submit for the consideration of Government, the inferior position of the Officers at the head of the administrative Departments in the Kurnool District in regard to emoluments as compared with other Districts; and, for reasons stated, they recommend that this matter be more equitably adjusted. With the second letter the Board submit a Tabular Statement of the proposed increase of pay to the Collector, and they leave it to the Government to consider the propriety of making a corresponding change in the Judicial branch of the District.

2. Kurnool was formerly a Non-Regulation Province, and the Collector, or Agent as he was then termed, received a salary of Rupees 2,000 per mensem. In 1858 four large Táluqs from Cuddapah and Bellary were added to it, and it was brought under the General Regulations. The Court of Directors however refused to give the Collector a higher salary than Rupees 2,000 "pending the consideration of the scale of Civil Allowances" then "in progress" under Mr. Ricketts, and still unsettled. The same remuneration was also fixed for the Judge of the District.

G. O. 4th March 1858, No. 285.

3. Kurnool is now a large Collectorate. Transfer from it to another District being pecuniarily advantageous to the Officers in charge, is sought by them; but the Governor in Council considers it objectionable that for the comparatively small sum at issue Rupees 666-10-8

per mensem, an important District should be so treated as always to have the youngest Officers as Collector and Judge and to lose their services just when they have gained valuable experience and local knowledge. He therefore resolves to submit the Board's letters to the Government of India, with a recommendation that the Collector and Judge of the District may each be allowed the higher salary of Rupees 2,333-5-4 per mensem, the increased charge to take effect from date of sanction, and to be met out of savings in the current year's Budget. No separate provision for the purpose need be made in the Supplemental Budget for 1862-63.

(Signed) J. D. SIM,

Secretary to Government.

Ordered that the following letter be despatched.

No. 67. From J. D. SIM, Esq., Secretary to the Government of Fort Saint George, to the Secretary to the Government of India, dated 4th December 1862, No. 2,514.

SIR,

1. I am directed to submit for the favorable consideration and orders of the Government of India the accompanying letters* from the Board of Revenue recommending for reasons stated that the Collector and Judge of the Kurnool District may be placed in regard to emoluments in the same position as Officers of the same rank in other Districts.

*Dated 30th September and 4th November 1862, Nos. 6 569 and 7,292, with Procs. of Government dated 18th October and 4th December 1862, Nos. 2,233 and 2,543.

2. It will be seen from the correspondence noted in the margin† that Kurnool was ormerly a Non-Regulation Province, and that the Collector, or Agent as he was then termed, received a salary of Rupees 2,000 per mensem. In 1858 four large Táluqs from Cuddapah and Bellary were added to Kurnool, and it was brought under the General Regulations. The Court of Directors however refused to give the Collector a higher salary than Rupees 2,000 "pending the consideration of the scale of Civil allowances" then "in progress" under Mr. Ricketts, and still unsettled. The same remuneration was also fixed for the Judge of the District.

† To Govt. of India, 22nd October 1857, No. 1,081.
From do. 26th January 1858, No. 141.

3. Kurnool is now a large Collectorate as is shown in the Board's letter of 30th September 1862, and the duties and responsibilities of the Officers in charge of it are as onerous as those of other Collectors and Judges. The standard pay in this Presidency of a Collector or a Judge is Rupees 2,333-5-4 monthly, and confirmed appointments of that rank are rarely attained under eighteen years' service. The smaller salary attached to the Kurnool District renders transfer

from it pecuniarily advantageous to the Officers employed in it, and the Government cannot reasonably debar them from promotion in their just turn. The Governor in Council considers it very objectionable that for the comparatively small sum at issue (Rupees 666-10-8 per mensem) an important District should be so treated as always to have the youngest Officers as Collector and Judge, and to lose their services just when they have gained valuable experience and local knowledge. In Kurnool an additional argument in favor of retaining experienced Officers in the two highest appointments may be drawn from the circumstance that there is neither Sub-Collector nor Sub-Judge attached to the District.

4. I am therefore desired to submit the recommendation of this Government that the Collector and Judge of the District may each be allowed the higher salary of Rupees 2,333-5-4 per mensem, the increased charge to take effect from date of sanction, and to be met out of savings in the current year's Budget.
