PUBLIC DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India; to His Excellency the Honorable the Governor in Council, Fort Saint George, dated India Office, London, 15th October 1862, No. 38.

I have received and considered in Council the Indent No. 41, dated the 8th May 1862, for Stationery Stores required for the Civil Departments of your Presidency for the year 1863-64, which has been transmitted to this country with the Public Secretary's letter, No. 664, dated 4th June last.

2. I have also had under consideration the Indent for Stationery Stores in the Military Department of your Presidency, No. 41, dated 8th May last, which has been transmitted separately to this country through the Military Department of your Presidency and the Government of India.

3. The practice of transmitting separate Indents for Stationery Stores, in different Departments, has never been sanctioned; and it would be attended with great inconvenience in this country.

4. All requisitions for Stationery, required by the various Public Departments, should be made upon the Stationery Department, and the Head of that Department should forward an aggregate Indent to this country for all Stationery required—the duty of distribution resting with him. In framing the Indent, there is no objection to certain special Stores being shown separately, under the names of the different Departments for which they are demanded; such information being useful as a guide to the Officers of the India Store Department in contracting for the articles, but ordinary Stationery Stores should be demanded in the aggregate for the Stationery Department.

5. I have sanctioned the Indents for Stationery, for the year 1863-64, with certain exceptions, lists of which are enclosed; and the whole of the Stationery, demanded in the Military and Civil Departments, will be supplied through the Civil Department, in the manner which has hitherto prevailed.

6. By a Clerical error in this office, your Stationery Indents, Nos. 39 and 40, of the 21st December 1860, have been mislaid; and no steps were, until very lately, taken to provide the Stores demanded thereon.

7. It is expected that the bulk of the articles will, however, be despatched from this country before the close of the present year; and, as considerable quantities of paper, quills, pencils, &c., due upon your Indent, No. 37, of 3rd December 1859, have been despatched by the ships "Clive" and "Raby Castle," in the months of May and August last, it is hoped that the inconvenience, occasioned by the non-supply of Stores upon the Indents, Nos. 39 and 40, will be, in a measure, obviated.

List of exceptions of Stores due on former Indents and proposed to be provided upon Madras Annual Stationery Indents, Nos. 41 and 41, Civil and Military.

The quantities demanded in these Indents were demanded by Madras Special Military Indent No. 41 of 7th December 1861, and should not have been indented for in this case, but shown under the column "due upon former Indents."
