Proceedings of the Madras Government, Revenue Department, 8th December 1862.

No. 108. Read the following Proceedings of the Board of Revenue, dated 20th November 1862, No. 7,619:—

Read the following letter from the Honorable D. ARBUTHNOTT, Collector of Salem, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 7th November 1862, No. 241.

SIR,

1. I have the honor to submit a Statement showing the quantity and the value of paper expended on account of Village Accounts and Survey Registers for Fasli 1271.

2. The quantity of paper expended under the two heads during Fasli 1271 amounted to Reams 629-4-17 priced at Rupees 2,015-14-2 including the carriage hire of papers to different Táluqs which amounted to Rupees 17-7-6. I request the Board will be so good as to obtain the sanction of Government for my charging this amount, viz., 2,015-14-2 in the public accounts.

3. Comparing the expenditure of the Fasli under review with that of the preceding one, there is a decrease of Rupees 264-15-9. This is owing partly to the expenditure of a less quantity of paper under the head of "Survey Registers" in the Fasli under report than that in the previous year, and partly to a contract entered into by a man at Madras, who has undertaken to deliver the paper required at the different Kacheris in this District on the spot, at favorable rates without any charge for conveyance. The contract was given for one year and will be renewed during this month when it will be given for three or five years.

4. I beg to add that the Statement now submitted does not include the cost of paper expended on account of Quinquennial returns which have not yet been completed. On the completion of these special accounts a Statement of the cost of paper for them will be submitted for the necessary sanction.

ENCLOSURE No. 1.

ABSTRACT.—Statement showing the quantity and the value of papers expended on account of Village Accounts and Survey Registers for Fasli 1271.

1. Ordered to be submitted to Government with the Board's recommendation that the sum of Rupees 2,015-14-2 expended in Fasli 1271 in the District of Salem for paper for the Village Accounts and Survey Registers be sanctioned.

2. The sum sanctioned for Fasli 1270 for a similar purpose, in Government Order No. 299, dated 13th February 1862, was Rupees 2,280-13-11.

3. With reference to the Collector's intention to renew his contract for the supply of paper for three or five years, as expressed at the close of paragraph 3 of his letter, the Board observe that provision has been made for the cost of paper for Village Accounts, in the revised Sadirwarid estimates which are now being prepared in their Office and which will shortly be submitted to Government. The Collector will therefore await the receipt of the orders of Government on the subject, before entering into any lengthened contract, the terms of which might be in excess of the funds which will be eventually placed at his disposal for the Sadirwarid charges of his District.
