*Proceedings of the Madras Government, Revenue Department,
9th December 1862.*

No. 118. *PROCEEDINGS OF THE MADRAS GOVERNMENT.*

Dated 9th December 1862, No. 2,565.

Under existing Rules the Board of Revenue submit for the orders of Government every case in which an action is brought against the Government. Many of the cases thus submitted, in fact the great majority of them, involve no question of principle or importance; and the reference to Government, while practically of no advantage, involves considerable delay and correspondence. The Governor in Council resolves therefore to vest the Board of Revenue with power to sanction the defence on the part of Government of all suits in the Revenue Department in which questions of principle are not involved and the amount at issue does not exceed 1,000 Rupees. Cases of the latter description will, as at present, be submitted to Government. The Board's sanction will be conditional as to costs, if they are awarded against the Government.

(Signed) J. D. SIM,
Secretary to Government.
