*Proceedings of the Madras Government, Revenue Department,
9th December 1862.*

No. 119. Read the following letter from Messrs. CLAUDE VINCENT and H. DE FACIEN, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Madras, dated Karterry, the 5th December 1862 :—

SIR,

1. On the 18th of July last, we did ourselves the honor of applying to the Collector of Coimbatore for a piece of waste land with a view of making a Chinchona plantation, and we also secured a large number of Chinchona plants from the Superintendent of the Government Chinchona plantations.

2. On the 8th November, ultimo, we again applied to the Collector, representing that the season was being lost to us, and begging that he would inform us when we might expect to obtain the land applied for. In reply, the Collector stated that he had made a reference to Government on the subject of the sale of waste lands, the reply to which, he daily expected, and that the delay had been unavoidable.

3. Not having heard from him since, we now take the liberty of addressing you, in the hope that you will do us the favor to solicit, from the Madras Government, early instructions to the Collector of Coimbatore, regarding the terms on which land will be sold, by Government, on the Neilgherries, as, unless we obtain the land soon, the next year will also be lost to us, and we will be heavy sufferers.

4. Apologizing for the liberty we have taken.

No. 120. ORDER THEREON, 9th December 1862, No. 2,566.

Dated 6th December 1862, No. 2,554.

Forwarded to the Collector for disposal with reference to the orders of Government marginally noted.
