*Resolution.*—His Excellency the Governor General in Council observes, that the allowance sanctioned by the Punjab Government in this case is not warranted by any Regulations or Order in the Military Department, and that it is to be regretted that the allowance was granted without sufficient enquiry having been made. As, however, the charge has been paid upon the sanction of the Local Government, it will not now be overruled; but His Excellency in Council would have it distinctly understood that Officers on detached duty with Treasure or Prisoners are entitled to no special extra allowance, and that such payments as that made to Lieutenant Walker will not in future be sanctioned.

Ordered, that a copy of the above Resolution, together with a copy of the connected papers, be forwarded to the Foreign Department, and that the original document received from that Department be returned.

Ordered, also, that a copy be sent to the Governments, Departments, and Officers, noted in the margin, for information and guidance.
