Read the following letter from P. GRANT, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Calicut, 24th February 1862, No. 37.

SIR,

Standing No. 2,351, dated 8th May 1861.

1. With reference to the Board's Circular noted marginally, I have the honor to submit for sanction an estimate of the value of French paper required for the consumption of the current, and a portion of the ensuing official year, amounting to Rupees 2,670-12-0.

2. The Board are aware that owing to sea opportunities from Madras to Calicut being rare it has been usual in this District to obtain generally a full year's supply of paper in advance, but on the opening of the Railway from Coast to Coast, I hope to be able to enter into arrangements to procure periodical supplies of paper and adjust the cost monthly, after the Saderwarid Bills are audited.

3. In regard to the cost of the paper now on hand, I beg to state, that the amount appertaining to the current year, viz., Rupees 600, can be met out of the provision made for Saderwarid charges in the Original and Supplemental Budget for the same period, and that for the ensuing year, viz., Rupees 2,070¾, out of the sum estimated for Saderwarid charges in the Budget for 1862-63.

Estimate of the value of French paper required for the consumption of the current, and a portion of the ensuing official year 1862-63, in the District of Malabar.
