SIR,

With reference to the arrangement whereby the management of the forests in Wainád adjoining Mysore, as also of the forests on the Mysore side of the boundary was in 1860* entrusted to Captain Gib of the Forest Conservancy Department of this Presidency, I am directed to state for your information that this Government have recently deemed it expedient to order that the Hoonsoor forests should be transferred from the Commissariat to the Forest Department, and placed under Captain Gib. The Officiating Conservator considers that the working of this tract and the Wainád belt will afford that Officer full employment, and I am therefore desired to request that you will take such steps as you may deem expedient for the conservancy of the forests in the Mysore territory. On Captain Gib being relieved of the charge of these forests, his full salary will be disbursed by this Government.
