No. 285. Read the following Proceedings of the Board of Revenue, dated 2nd December 1862, No. 7,880:—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 20th November 1862, No. 495.

SIR,

1. With reference to Section 3, Regulation XIX of 1802, and to a Circular from the Registrar of Government Grants under date the 10th April 1854, stating that nobody should possess lands in territories belonging to the British Government who is not a British subject, without the special sanction of Government, I have the honor to report, that the Reverend L. Verdier, a French Roman Catholic Priest residing in this District, has applied for permission to purchase from the Native Proprietors in the village of Cailpatam in the Tenkarrai Táluq, for the benefit of a charitable institution under his charge in the above Táluq, certain dry lands and palmirah trees particularized in the annexed Statement. The Proprietors are willing to sell the lands and trees, and I see no objection to the Reverend Mr. Verdier's being permitted to purchase them, for the purpose stated, and I therefore request that the necessary sanction may be obtained.

2. In their Order of the 12th September 1862, the Government have granted permission to the same individual to purchase certain other land and trees for the same purpose.
