SIR,

1. I have the honor to forward, for submission to Government, plans with estimates amounting in the aggregate to Rupees 3,020, for repairing and improving the Talook Cutcherries of Repalli and Krosur, in the Kistna District.

2. The necessity for these repairs and alterations has been so fully set forth in the letter of the Acting Collector of the Kistna District to the Board of Revenue, which I herewith beg to forward, that I consider it unnecessary on my part to add anything further in their support.

3. The Board of Revenue have approved of the proposed work, I beg therefore to recommend the estimates for sanction from the "General Repair Funds" of the Kistna District. They have been examined in this Office and corrected where necessary. The rates inserted in them are moderate yet sufficient.
