Proceedings of the Madras Government, Revenue Department, 23rd December 1862.

No. 327. Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Tinnevelly, 17th December 1862, No. 538 :—

SIR,

Since reporting to Government on the state and prospects of the Cotton cultivation on the 27th ultimo, I have the honor to inform you, that the heavy rains which have since fallen have caused a good deal of injury to the crop. On the night of the 30th November there was a perfect deluge of rain all over the District. Many tanks breached, and portions of roads were swept away. The town of Tinnevelly was in one part completely flooded, and great damage was done in the town of Tuticorin. This deluge fairly washed the late Cotton sowings out of the ground in some localities, and did a good deal of injury to the standing plants. The Ryots however are preparing again to sow those lands that have been most damaged.

No. 328. ORDER THEREON, 23rd December 1862, No. 2,668.

Ordered to be laid on the Editor's Table.

(Signed) J. D. SIM,
Secretary to Government.
