Proceedings of the Madras Government, Revenue Department, 24th December 1862.

No. 359. Read the following Proceedings of the Board of Revenue, dated 25th November 1862, No. 7,734:—

Read again letter from the Collector of Coimbatore, dated 15th, and recorded in Board's Proceedings 30th October 1862, No. 7,190.

Read also the following letter from the same Officer, dated 12th November 1862, No. 234.

1. As directed in the Board's Proceedings of the 30th ultimo, No. 7,180, I have the honor to submit a Tabular Statement in the prescribed form for the increase of pay of the Sweeper of the Travellers' Bungalow at Hassanoor.

2. The additional amount required is Rupees 8 for the current official year, supposing that the increase is sanctioned from 1st December 1862, and Rupees 24 for the ensuing year. These sums can be obtained from the savings in the pay of the Bungalow servants in the District, in the event of the full amounts provided on that account in my Budget Estimates for 1862-63 and 1863-64 being sanctioned. The pay of the Bungalow servants is now disbursed as an advance, and debited in the column of unadjusted charges under the orders of Government dated 19th September 1862, No. 2,036.

ENCLOSURE No. 1.

ABSTRACT.—Tabular Statement in the prescribed form for the increase of pay of the Sweeper of the Travellers' Bungalow at Hassanoor.

1. Ordered that the above letters, and accompanying Tabular Statement be submitted for the Orders of Government.

2. Under the circumstances represented by the Collector, and especially considering the unhealthy climate of the locality, the isolated position of the Hassanoor Bungalow, and the difficulty of procuring the required service at the authorized pay as recently* represented to Government, the Board beg to recommend that the pay of the Sweeper be raised from 2 to 4 Rupees a month; the increase being met, as proposed, from the savings in the provision made in the Budgets of 1862-63 and 1863-64; the provision for the former of these two years, which had been expunged for a time, having now† been sanctioned by the Government of India.

* Board's Proceedings 19th September 1862, No. 6,279.

† Vide Accountant General's Circular, dated 14th November 1862, No. 3,475.

3. As the Collector states (*vide* remarks in Tabular Statement) that unless the increase now proposed is sanctioned, the Bungalow must be left uncared for, the Board beg further to recommend that the increase be sanctioned by Government under the Ruling of the Government of India in paragraph 43 of the Honorable E. Drummond's letter dated 21st June 1862, No. 4,089.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 30th October 1862.

Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 15th October 1862, No. 216:—

1. I have the honor to submit for the consideration of the Board of Revenue, translated copy of an Arzee from the Tahsildar of Suttiamungalum, reporting the impossibility of procuring a Sweeper for the Travellers' Bungalow at Hassanoor in consequence of the smallness of the pay allowed, viz., 2 Rupees.

2. It appears from the records of this Office that so far back as January 1858, the late Collector Mr. Thomas recommended to the Board an increase of 1 Rupee to the pay of the above Sweeper, but in Extract from Minutes of Consultation of 19th February 1858, No. 221, Government declined to entertain the recommendation for reasons that the Government of India have sent orders restricting all Civil expenditure. They directed that a native of the place be employed to fill the situation, if difficulty be experienced in inducing any one from the plains to undertake the duty, all endeavours to procure a man of the same village for 2 Rupees has proved a failure, and it appears that one of the Peons of the Tahsildar's Establishment, and who was in charge of the Bungalow was ordered to perform the Sweeper's duties also, receiving the pay of the situation, viz., Rupees 2 in addition to his own. Since the re-organization of the Revenue Establishment of Suttiamungalum Taluk no Peons are available for the charge of the Bungalow, but one of the temporary Peons employed by the Police Department at Hassanoor under the sanction noted in the margin performed the duties of the Sweeper receiving the 2 Rupees; he has since given up his post, and notwithstanding the Tahsildar's best endeavours he has not succeeded in procuring the services of a man of the village for 2 Rupees.

Government Order, 27th August 1861, No. 1,075.

3. The Bungalow at Hassanoor is situated at a lonely, jungly, and feverish place three miles from the village. The Board are not ignorant that the prices of food are very high, and that consequently for the small pittance of 2 Rupees the services of a Sweeper, especially in a locality like Hassanoor, cannot be procured. I am aware of the present Order of the General Government of India restricting the expenditure on account of Travellers' Bungalows, but the Bungalow at Hassanoor must be left uncared for, unless an increase of 2 Rupees to the pay of the Sweeper is sanctioned. I therefore lay the matter before the Board for their consideration and orders.

The Collector will please submit the usual tabular Statement, and state from what source the increase may be met.

An increase of one Rupee to the pay of the Sweeper is recommended by the Commissioner Bhooj for each as January 1858 when Government declined to entertain the recommendation for reasons which the Government will doubtless recollect. The Bungalow is in the midst of Indian hamlets and Borders restricting all civil expenditure. They directed that a native of the place situation if sufficiently be appointed to fill the duty. needed in rendering any one from the plains to undertake the duty. All endeavours to procure a man of the same village for 2 Rupees have proved a failure. Prices of food are now very high and Sweepers only for the small pittance of 2 Rs the services of a Sweeper, especially in a healthy like Chokeypeemun, cannot be procured. Under these circumstances the increase of two Rupees is recommended. Unless it is sanctioned from the Bungalow cannot be kept up
