*Proceedings of the Madras Government, Revenue Department,
24th December 1862.*

No. 365. Read the following Proceedings of the Board of Revenue, dated 6th December 1862, No. 7,966:—

Read the following letter from E. B. FOORD, Esq., Acting Collector of the Kistna District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Masulipatam, 19th November 1862, No. 287.

SIR,

1. I observe that in the Cotton Map of the Madras Presidency, forwarded to me by the Board, nearly the whole of this District is colored as a "Cotton growing locality."

2. As this is calculated to convey a very erroneous impression, I have the honor to annex, for the information of the Board, a Statement showing the several Talooks of this District in which Cotton is grown, and the number of Acres grown in each; and to state that Cotton is not grown at all in the Talooks of Bandar, Gudivada, Repali, and the Nuzid Estate, and (as the Board will observe from the Statement) very little in Bezvada and scarcely any in Bapatla Talooks.

ENCLOSURE No. 1.

Memorandum of Cotton cultivation in the Kistna District.
