Atty. Gen. Bellary Collectors Office,
Pondicherry, 2nd February 1862.

From, Col. Hathaway Esq.,
Collector of,

Of Bellary,
W. Middleton Esq.,
Secretary to the Board of Revenue,
Madras,

Sir,
I have the honor to request that
the Board of Revenue will submit to Government,
with their favorable recommendation, my appli-
cation to be allowed 3 months' Privilege leave,
under Section XII of the Civil Absentee Rules,
to commence from the 21st April next.

2. I was in 1857 ordered out from England,
six months previous to the expiry of my leave
on furlough, and have taken no leave since
my return to India, in October of that year.

3. I think it right to mention, that
my purpose is, should the Government be
pleased to grant me the leave now asked for,

to go to England, but in that case, measures
would be taken by me to ensure my return
(save through unavoidable accident) within
the above period.

I have the honor to be

Sir,
Your most Obedient Servant,

Al. Methuen
Collector
