*Proceedings of the Madras Government, Revenue Department,
8th January 1862.*

No. 57. Read the following Memorandum from H. SMITH, Esq., Superintendent of the Gazette Press, to J. D. SIM, Esq., Secretary to the Revenue and Public Works Departments, dated Fort Saint George, 21st December 1861 :—

The accompanying Bill is for articles supplied to the Collector of Cuddapah in obedience to the Order of Government dated 4th January 1861, No. 42. The vouchers accompanying it were sent to the Collector with a statement of the claim some months since, when payment was objected to on the ground that I was authorized by the order to charge in a Contingent Bill without reference to him. The matter was then referred to the Civil Auditor, who directed that the vouchers duly certified should be re-obtained from the Collector before that Office could pass the Bill. It has been since found, however, that as the order directing the supply does not mention the amount, a further special sanction is necessary.

ORDER THEREON, 8th January 1862, No. 30.

No. 58. Communicated to the Board of Revenue, who will ascertain from the Collector of Cuddapah whether provision has been made in the Budget for meeting the charge under reference.

(Signed) J. D. SIM,
Secretary to Government.
