Memorandum

The Officiating Civil Auditor has the honor to forward herewith a revised Memo in substitution of that dated 11th Instant shewing the present scale of expenditure in the Forest Conservancy department exclusive of the Regimental allowances of the Military Assistants.

Captain Baines's salary as 2nd Class Assistant Conservator which was by an oversight omitted in the Original Memo being now entered, the total of the expenditure shews an excess over the sanction of Rs. 202-8- per mensem.

The Officiating Civil Auditor is unable to state whether the whole of the items are debitable against the general sanction for the Forest department as the Orders which are quoted are not all explicit on the point
