*Proceedings of the Madras Government, Revenue Department,
19th February 1862.*

No. 405. Read the following letter from Captain H. R. MORGAN, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 1st February 1862, No. 790:—

SIR,

1. I have the honor to acknowledge receipt of the Proceedings of Government, No. 102, dated 24th January 1862, requesting to be informed whether the additional Establishment for the effectual conservancy of the Salem Forests can be paid for out of the Budget allotment for the current year. In reply, I beg to state that the only feasible mode which presents itself to me is that provision having been made in the above Budget for the pay of the Assistant Conservator of Forests for the whole year, and he having died in October last, the undrawn amount of salary up to the date of the appointment of his successor can be made available for this purpose, with the exception of Rupees 40 for three months or in all 120 Rupees which I propose should be paid to Overseer Yarde for the charge of the District during that period; the balance of the amount required for the extra Establishment can be met out of the sum sanctioned for working the Forests.

2. With reference to the latter clause of the above G. O., I have the honor to state that provision has been made in the estimate for 1862-63, for the increased expenditure in question.

Ordered that the following letter be despatched:—
