From,

M. Perasikamony Pillay

Deputy-Collector Coimbatore on leave at

To J. D. Sim Esquire,

Secretary to Government,

Revenue Department,

Fort - Saint-George.

Sir,

I beg respectfully to request that you will be so good as to lay my prayer before His Excellency the Governor that I may be transferred to a Deputy-Collectorship at Cuddalore, either to have charge of the Treasury or Taluque from my present appointment at Coimbatore. (Exclusion)

I am now on leave on account of sickness (fever) which was brought on while at Palladam from the effects of the climate of the malarious jungles near which I had to go, and Doctor Joseph of Tranquebar whose note to me on the subject I beg to enclose and who has been treating me, is strongly of opinion, that a lengthened residence on the eastern coast is essential for my complete recovery and that the best place he would recommend me to go to is Cuddalore.

My present is the second & most obstinate of the two attacks of fever I have had at Palladam, and I beg therefore humbly to request that you will move His Excellency to extend my case indulgent consideration by transferring me to Cuddalore.

I have faithfully served Government for upwards of 20 years of which the whole except the period of my appointment as Deputy-Collector was spent at Cuddalore. My name I beg to add has always been favorably mentioned by my official superiors. I believe Mr. Hall late Member of the Board of Revenue took an opportunity of mentioning to you my wish for a change to South-Arcot and I have no doubt that the Honorable Mauleby with whom I have the fortune to be acquainted will be glad to add his support to my prayer on the ground of my faithful and honorable service under Government, of which he can speak from experience, as I actually served under him in high appointments during his administration of South-Arcot and he has watched and aided ~~and~~ my further progress in the service with interest.

Humbly

5
Humbly hoping that His Excellency the Governor will in consideration of the above circumstances grant this humble prayer and thus enable me to continue to serve Government long & efficiently.

I beg to remain,

Sir,

Your most obedient & humble servant
