*Proceedings of the Madras Government, Revenue Department,
24th February 1862.*

No. 454. Read the following Proceedings of the Board of Revenue, dated 15th February 1862, No. 1,091 :—

Read the following letter from the Honorable R. O. CAMPBELL, Chairman Chamber of Commerce, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated 30th January 1862.

SIR,

1. I have the honor to acknowledge receipt of your letter of the 23rd December last to the address of Mr. W. R. Arbuthnot forwarding a sample of Cotton, grown from New Orleans seed, by Mr. Minchin at Aska, and requesting the opinion of the Chamber upon its quality, and its value in the English markets.

2. The sample has been circulated to the Chamber, whose opinion is that it is of excellent quality though rather short in staple for cotton grown from new Orleans seed.

3. It is difficult, in the present excited and unsettled state of the Cotton Market, to affix a value to the sample sent, but it is considered that with "good fair" Tinnevely (valued) at 8d. the lb., Cotton of the quality of the sample would be worth at least 10d. the pound in the English markets.

Ordered to be communicated to the Collector of Ganjam and to Mr. Minchin, and that copy be submitted for the information of Government:

(A true Copy and Extract.)
