## *Proceedings of the Madras Government, Revenue Department, 28th February 1862.*

No. 570. Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Kávali, 18th February 1862, No. 7:—

SIR,

1. I have the honor to acknowledge the receipt of the orders of Government, Revenue Department, No. 322, and explain that the delay in the submission of the Local Fund Budget from this District has arisen from the District Engineer and myself being at issue as to the proper road to be taken in hand.

2. I do myself the honor to enclose a copy of a letter I have addressed to the Chief Engineer on the subject, and in the last paragraph the Government will observe, I have submitted for that officer's consideration, whether it was not the duty of the District Engineer, when he declined complying with my requests, to have submitted his objections for the consideration of the Chief Engineer, instead of taking upon himself to consider, whether I was justified in the course I thought it my duty to pursue as the Collector of the District. I regret that there should have been any delay, but there would probably have been considerably less delay had Captain Mullins referred the matter under discussion at once for the decision of the Chief Engineer, under Rule 73 of Chapter V of the revised Rules for the Public Works Department.

No. 571. ORDER THEREON, 28th February 1862, No. 448.
