Proceedings of the Madras Government, Revenue Department, 14th January 1862.

No. 89. Read the following Proceedings of the Board of Revenue, dated 7th January 1862, No. 76 :—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Tinnevelly, 30th December 1861, No. 587.

SIR,

I regret to have to state, that since the date of my last report to the Board the 16th instant, on the prospects of the season in this District, no rain has fallen, and the crops, especially those under tanks dependant on the rain fall for their supply, are suffering greatly for want of water. My Head Assistant sends me bad accounts from the Northern Táluqs, where I fear the distress will be most felt. From the appearance of the sky, it would seem as if the monsoon was completely over, and the price of grain of all kinds is rising rapidly.

---

1. Ordered to be submitted for the information of Government.
2. The Collector will keep the Board fully informed of the prospects of the season.
